THE RADICAL PROGRAMME. The Hon. Mr. CONWAY, of the Federal House of Representatives, in a speech delivered some two weeks since, laid down what may be isextract from the speech;

I am uttarly and forever opposed to both. national government by resolving the North in speedily become manifestly diminished. to the the nation, and the South into a distinct public body, leaving us in a position to pursue the latter as a separate State. I believe that the

bodiment of his ideas;

Resolved by the Senats and House of Represent atines, etc., That the Executive be and he is

tive forces of the North to splant themselves immovably on the principle of reconstruction. soon command a premium. This decirine, if adhered to by a majority of the Northern people, will prolong the war indefinilely, and we are honer inclined to regard the programme of Mr. Conway as the harbinger of a battler time coming. It is possible we may yet have to look to the radicals, rather than to the conservatives of the North, for a satisfacto-

necessary. The whole of the first country is blocked of which has covered with water, to an extent that will make house of the city would put at rest forever blocked of which has nothing else will.

The capture of the city would put at rest forever all questions which might arise from that occurrence all questions which might arise from the country is nothing else will.

from the Coldwater. Certain preparations were making to impede the progress of the Federals, of the success of which great confidence was entertained. The rivers had fallen somewhat up to Saunday, but lose rains have again swo!-
